APPLICATION DUE: MARCH 9, 2016

Things to consider when applying to PEOPLE

1. PEOPLE is a BIG time commitment. We are a year-round college preparation program that requires up to eight hours a week during the school year and 3-5 weeks during the summer.

2. Be ready to find your balance! We fully encourage students to be well-rounded citizens, but our program’s priority will always be making sure they are solid in their academics. Being a PEOPLE student will limit your ability to participate in sports, after school clubs, working a job, and participating in community activities.

3. Meeting all eligibility requirements for PEOPLE does not guarantee admission into PEOPLE.

4. Admission into UW/Madison is not guaranteed because you are a PEOPLE student.

5. ONLY Wisconsin residents are eligible to apply and participate in PEOPLE.

HOW TO APPLY:

1. Submit a completed application online or paper application.
2. Submit a copy of your current school transcript.
3. Submit a completed DPI form (must be signed by a school official).
4. Submit the teacher recommendation form included in this packet or a letter of recommendation from a teacher or guidance counselor.
5. Submit a one-page autobiography.
6. Submit a one-page essay responding to the following two questions:
   • Why did you decide to apply to PEOPLE? In addition, please share the academic and extracurricular opportunities you want to take advantage of as a participant. If applicable, provide details of any circumstance that may have had an impact on your academic and/or extracurricular involvement?
   • Consider something in your life you think goes unnoticed and write why it’s important to you?
